THE WEEKLY LINE-UP

A briefing for every day of the week

Each edition has its own focus and its own look, so readers know what they're opening and sponsors get a clear slot.

MONDAY

The Week Just Gone

Everything published last week, in one scroll. The catch-up read.

TUESDAY

Safety & Sustainability

Site safety, carbon and lower-impact maintenance across the network.

WEDNESDAY

From Our Partners

Products, services and case studies from across the sector.

THURSDAY

What's Happening in Highways

Contracts, schemes and the people moving between them.

FRIDAY

Most Read This Week

What the sector actually clicked on, ranked one to five.

WHY SUBSCRIBE

- Five minutes a day keeps you across every major scheme, contract and appointment.
- Independent editorial written for the industry, not a press-release feed.
- One clean email a day. Skim it, tap through when it matters.
- Free, forever. Unsubscribe in a click if it's not for you.

WHY ADVERTISE

- **Own the edition.** One exclusive partner per briefing, your brand and nothing else.
- **Reach the buyers.** Decision-makers at contractors, consultancies and authorities.
- **Drive the click.** Your slot carries a live call to action: a link, an offer or a booking.
